Dear Willy,

Army Pictorial Service has concluded a search of their shelves for footage on the pillage of Saint-Dizé and they are distressed to report that they have none. I am assured that the search was a scrupulous one, having been made both by date and area, as well as by name. The Army suggests, however, that you might wish to query the separate newscasts. To make your search an easier one, I am attaching a list of those organizations.

Sincerely,

W.S.S.
